

# Nisca PR-C101

## Out-Of-The-Box Solution

### Nisca's quality and reliability now in an entry-level printer.

The PR-C101 single sided printer provides a simple and affordable out-of-the-box solution for high quality high durability ID cards with low maintenance requirements.

The printer is small enough to fit into an office overhead bin or under a counter. Offering the first ever rotating LCD panel and optional front or back exit, the PR-C101 can be placed in any orientation to fit your office environment perfectly. The printer's ribbon cassette and cleaning roller unit is disposable.

The PR-C101 will come packaged with an entry level badging software application and offer an optional magnetic strip encoding. **This basic professional solution is great for every small organization, including police, libraries, schools, clubs, casinos, and more.**
